One Washington Initiative

Background

Beginning in the fall of 2016, the State Board of Directors created a Strategic Steering Committee to evaluate ideas on simplifying the obligations of local associations to enable focused efforts on membership and programming at the local level. After surveying similar initiatives in other states the Committee developed the NAIFA One Washington Initiative. From January up to the State Convention in May the Committee solicited feedback on the Initiative from local leadership around the state.

OFFICIAL CALL FOR YOUR VOTE

On behalf of, and with the consent of, your local Board of Directors, NAIFA Washington moves that the membership of your local association merge your local association with the new NAIFA One Washington at-large association. In order for this measure to pass, it will require positive consent from 75% of the local association's membership as of July 1, 2017. This vote will remain open for the balance of the fiscal year ending June 30, 2018.

For your vote to be valid, it must be sent from an email address that matches your membership record or it must include you member number (included below). Once you respond to the vote you will not receive follow-up email reminders for voting.
